

Pupil Premium Grant Report 2012-13 Thorpe Primary School

Number of pupils and pupil premium grant (PPG) received	
Total number of pupils on role	472
Total number of pupils eligible for PPG	77
Amount of PPG received per pupil	£600
Total amount of PPG received	£46,200

Summary of PPG spending 2012-13

Objectives of spending PPG:

Implement and develop the role of Pupil Premium Manager to raise standards and narrow the gap in performance between PPG children and National average across the school for all PPG, children with a particular focus on Year 6.

Record of PPG Spending By Project 2012-13

Item/Project	Cost	Objectives and Aims	Outcomes
Employ and implement the role of Pupil Premium Manager in school (Shama Akhtar)	£40,862 (salary)	To monitor and track the progress and attainment of PPG children in the school. Lead and manage interventions to support children in reading, writing and maths. Report to governors, parents and staff regularly on the progress of the children and monitor effectiveness of strategies implemented in school.	PPG data is carefully tracked in each year group so that timely intervention is planned to ensure accelerated progress
Learning mentor (17 children from Year 2-6)	£500 Materials	By working in conjunction with the new Assertive Mentoring programme implemented by Year 4, 5 and 6, the aim is to provide high quality feedback and support on reading, writing and/or maths. Each child has a set of medium term targets every half term (agreed by the child, teacher and SA). This is followed by weekly meetings with the child to work on those targets. The aim is for children that are mentored to get the expected points progress at the end of each year in order to achieve their end of Key Stage target.	All children being mentored are currently at risk not to meet end of Key Stage targets. The target is for 80% of these children to meet their target
Reading booster with 5 Year 6 children	£500 Materials	Intensive reading intervention 3 times a week with the aim of those children to achieve end of year expectations in the Reading SAT in Year 6. (Assertive mentoring Reading programme implemented).	All five children to reach level 3, (two levels progress) 1 child to reach level 4
Maths booster with 5 Year 6 children	£2,000 Materials	Targeted support in Maths in a smaller group with the aim of those children to achieve end of year expectations in Maths SAT in Year6.	All five children to reach level 3, (two levels progress) 1 child to reach level 4
