September 2018

This is an exciting opportunity to join our vibrant and inclusive primary school in the Netherton area of Peterborough.

If you are a teacher with enthusiasm and drive, who puts children's learning at the centre of their practice, we can offer you:

- A happy, well-resourced school, with a recent expansion leading to three form entry
- A richly diverse community that is valued and celebrated
- Hardworking children to be proud of
- Excellent CPD opportunities and to work with a motivated and supportive team
- Exceptional well trained teaching assistants

We are committed to professional learning and pastoral support for all our staff. We believe the little things count... such as daily refreshments or a supper on parents evenings... as well as thoughtfully planned support systems, such as regular release for planning meetings with subject leaders or release for 1:1 mentoring with all pupils.

We warmly encourage visits, so come and see for yourself. We welcome applications from NQTs as well as experienced teachers. Please download an application pack from our website or e-mail or telephone the school. Closing date for applications is **12 noon on Thursday 1st March 2018.**

*This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. An enhanced DBS check will be required for this post.*
