School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
1) To launch the ‘Steps4Success’ initiative’ to increase competition in activity levels between students throughout the day.	Purchase pedometers for all children in Key Stage 2 and prizes for the most active child per year group per half term.	£1835	All members of staff in Key Stage 2 are currently recording the total number of steps for each child per week; the results are showing a steady increase in number of steps. The children have been demonstrating healthy competition amongst their peers as they aim to become the most active individual. Staff are promoting the idea of competition with oneself so each child aims to beat their previous week’s score. Furthermore, Key Stage 1 children have been given an opportunity to take part and win prizes in a	Having purchased enough pedometers for 12 classes, we currently have enough pedometers to continue the initiative until we reach our full capacity. We aim to work closely with local sports clubs in order to find alternative prizes.

			different capacity by demonstrating they are most active during breaks, lunches, during classroom lessons and within PE lessons.	
2) Increase physical and mental wellbeing through a more active daily routine.	Thorpe Primary School to get quotes for track lines that will allow children to walk 'The Daily Mile'.	£550	Steps on pedometers have increased by 15% for each class since introducing 'The Daily Mile' programme.	The track lines are permanent, ensuring sustainability and longevity.
3) Ensure that every child has multiple opportunities to choose from physical activities that they wish to partake in during lunch times.	SNAG group to ask children across school which physical activity they would like to do during lunch times. PE coordinator to liaise with midday supervisors to ensure equipment that has been requested and required is purchased.	£1000	The evidence has been captured on camera, which shows children using the new equipment and being extremely active.	The equipment has been purchased and is now being used. Moving forward, the PE coordinator will 'drop-in' to ensure the equipment is being regularly used.

4) Active lunches	PE coordinator to arrange training for 12 midday supervisors through an external agency.	£800	All 12 midday supervisors were provided with certification upon completion of training.	PE coordinator will ensure the activate lunches are run consistently by working with the lead midday supervisor and providing further training if necessary.
5) To give children opportunities to get active during long teaching sessions.
